

A Wedding is a Day, A Marriage is a Lifetime

Catholic Engaged Encounter Scholarship Application

We are excited for you to attend a Denver Catholic Engaged Encounter Weekend. We believe that by attending a CEE weekend, you are not only deepening your relationship with your fiancé, you are better preparing yourself for a wonderful sacrament in Christ. Your CEE weekend will force you and your fiancé to talk about tough issues that you will some day face in marriage and give you the tools to work through them. We do not want financial barriers to be the reason for you and your fiancé to miss out on experiencing this wonderful retreat. We understand that finances can be costly, especially during the preparation for your wedding. Please take the next few moments to fill out the following questionnaire to better give us an idea as to what you hope to gain from encountering a Catholic Engaged Encounter retreat weekend.

Please know that we are a volunteer organization, as well as a non-profit organization. The cost which we charge for a couple to attend an Engaged Encounter weekend covers all costs including lodging, food, and supplies. Presenting couples are not paid for their time. All dedicated time is volunteered.
